Education

I.K. Gujral Punjab Technical University — Jalandhar
JULY 2020 – JUNE 2024

- ▸ B. Tech in Electronics and Communication Engineering

Kendriya Vidyalaya No.1(R.C.F) — Hussainpur
APRIL 2018 – MARCH 2020 (76.2%)

- ▸ High School Education

Projects

PTU BLOG – BLOGGING & BUYING/SELLING WEBSITE 🔗 ⊙

- ▸ Basically, it's blogging as well as stopping platform made for IKPTU. In this students can read about the latest news and events going on in university
- ▸ It's also a buying and selling platform for university students to sell their old books and all other material that they want to sell in university.

D-NOTIFIER – A DYNAMIC NOTIFICATION EXTENSION ⊙

- ▸ Created a web browser extension using HTML, CSS, JavaScript to visualize the latest notification.
- ▸ Use of a Self-made dynamic API to push the latest notification.

DRUM SET ⊙ 🔗

- ▸ It's an online drum set made by using JavaScript.

GTA V HEIST – CONTRIBUTION TO GTA V GAMERS

- ▸ GTA V is one of the most popular games in the world. I created a GTA V heist with .lua language & now it's a part of Rockstar games & being played on many FiveM servers.
